Jillie Lukes

Don,
its been a fun
year and you
made it that way.
You said don't write
too much so I won't
(but I could) I hope
to see you this
summer if you're
around. It'll really
be different with you
gone next year.
(I won't have anyone to bother!)
Well, God Bless You!
Be good if it's possible.

Jillie
What do you
say to a real
nut. It's really
been a real getting
to know you
better. Wish
we could have
more time to
get to know
each better.
Take it easy
and be good.
Hope to see
you in the future

The Duke

Torch with upon this barren trail
I tread. Emerging from there black
and blood stained walls Into a world
of untold complexities of thought and deed.
My apprehension towers above my
hopes of life's extacy and all my
fears congregate into a constant
moment.

If not for your life's light
I say and exclaim my the
futilness of my plight.
Therefore when I am no more
at hand to offer my bit of
joy and laughter. And ye amidst
these black and blood stained walls
remain.

Our thoughts will still, with
one accord, maintain the
joyous intricacies of our
discussions and discourse.

It's the good life.
It's life at
Horicon High School.
It's being where things
are happening.
It's for living the
present, planning the
future, but appreciating
the past.
It's the frustration of
algebra problems and
the endless barrage of
English questions.
It's learning by just
being what you are and
appreciating others and
what they are.
The good life . . .
the championship in the
fall and seeing the

after all the sweat and
tears.
And it's wondering where
just all this ends.
It's the small moments
as well as the great ones.
We've tried to capture in

the good life . . .
it's being involved in

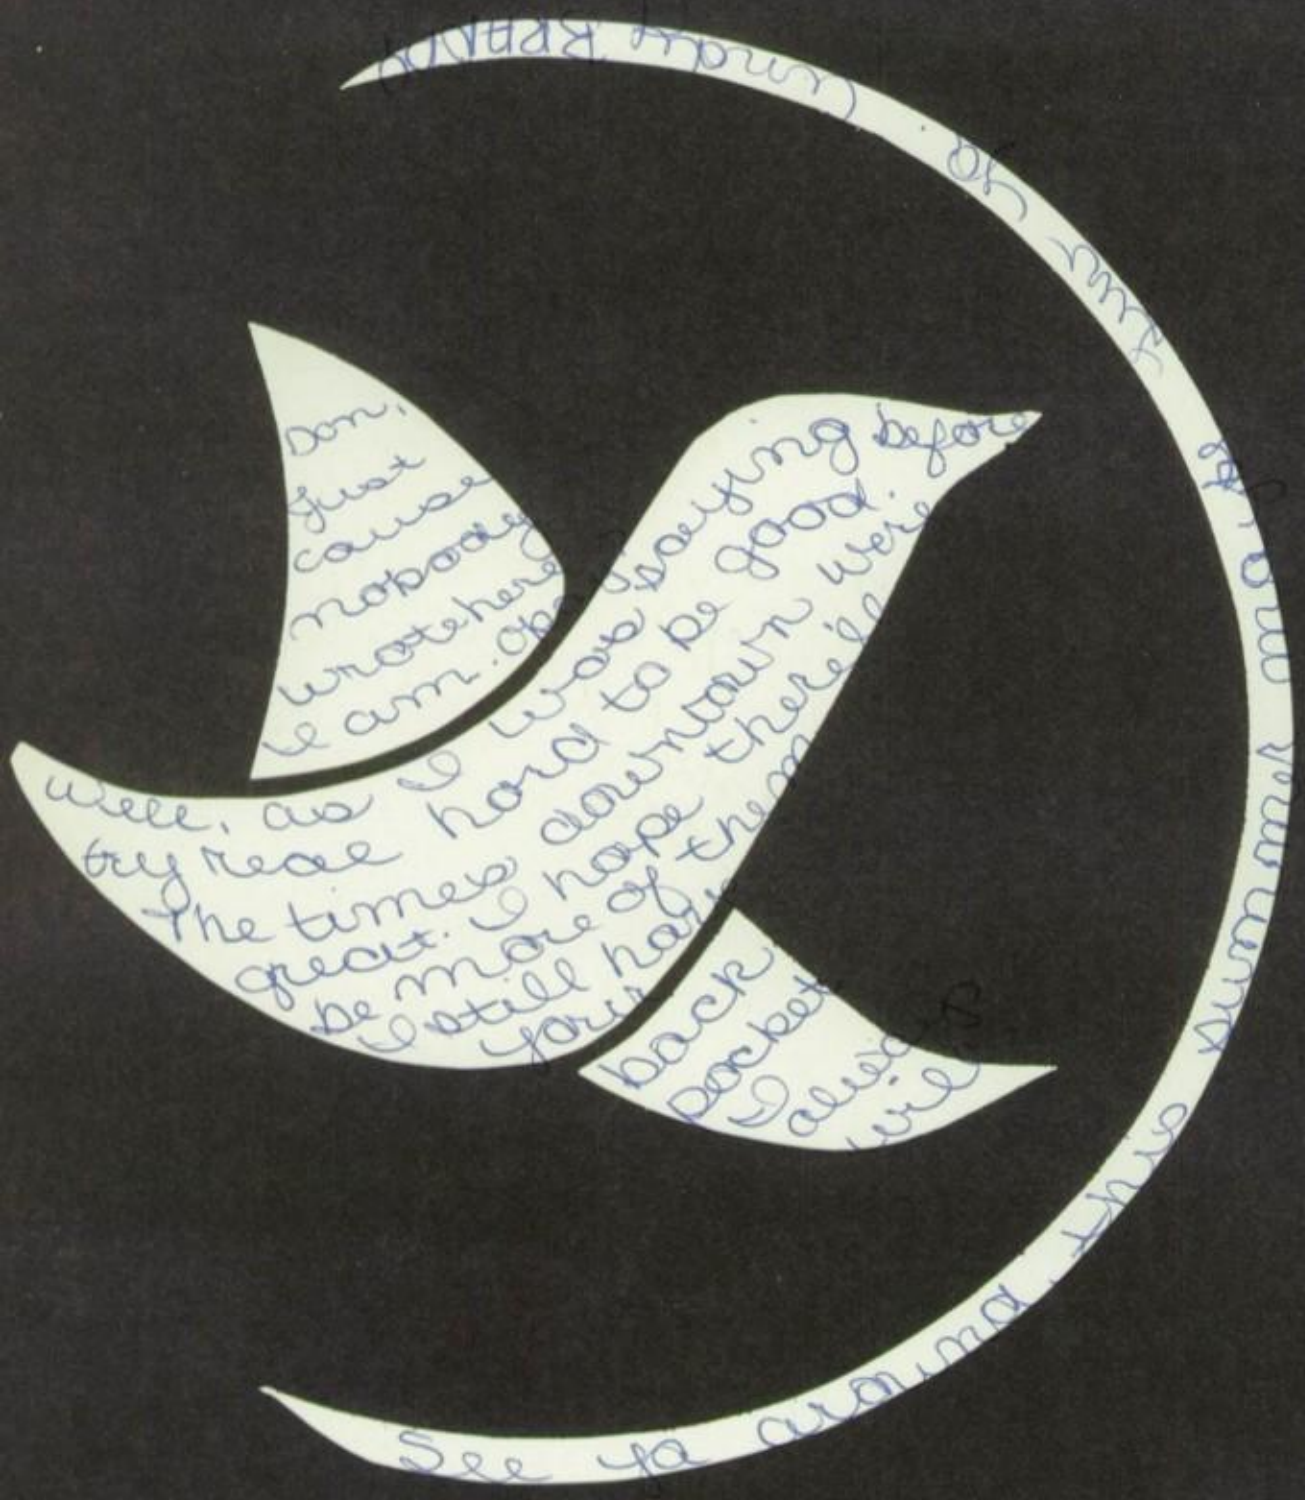
PEACE PEACE PEACE PEACE



Don't just cause nobody wrote here I am. Oh well, as try real hard to be good. before The times are getting be more of there'll still hafta your back pocket
See ya around

A word?
A feeling?
Or just a vague idea that everyone talks about, but does nothing for?
Is it a convenient excuse for rebelling?
The Class of 1971 dedicates this book to the realization that there will be no hope of peace in the world unless the spark starts within ourselves, igniting peace in our families, spreading through our communities.
raging across our nation, and finally engulfing the world in a blaze of good will and tranquility.
Start small, find yourself.
Then reach out for someone.
To communicate is the beginning of understanding.
To understand is the beginning of the good life on earth.
And when we come right down to it that's all we've got left, after the trimmings and frills of life are gone.
We'd like to think that the Year 1971 is the first of many years of increased peace and understanding, and we'd like to think that we, the members of the Class of 1971 of Horicon High School, got the world started on the right track by finding peace in ourselves and enjoying the good life while yet on earth.

Luke,
To a real great

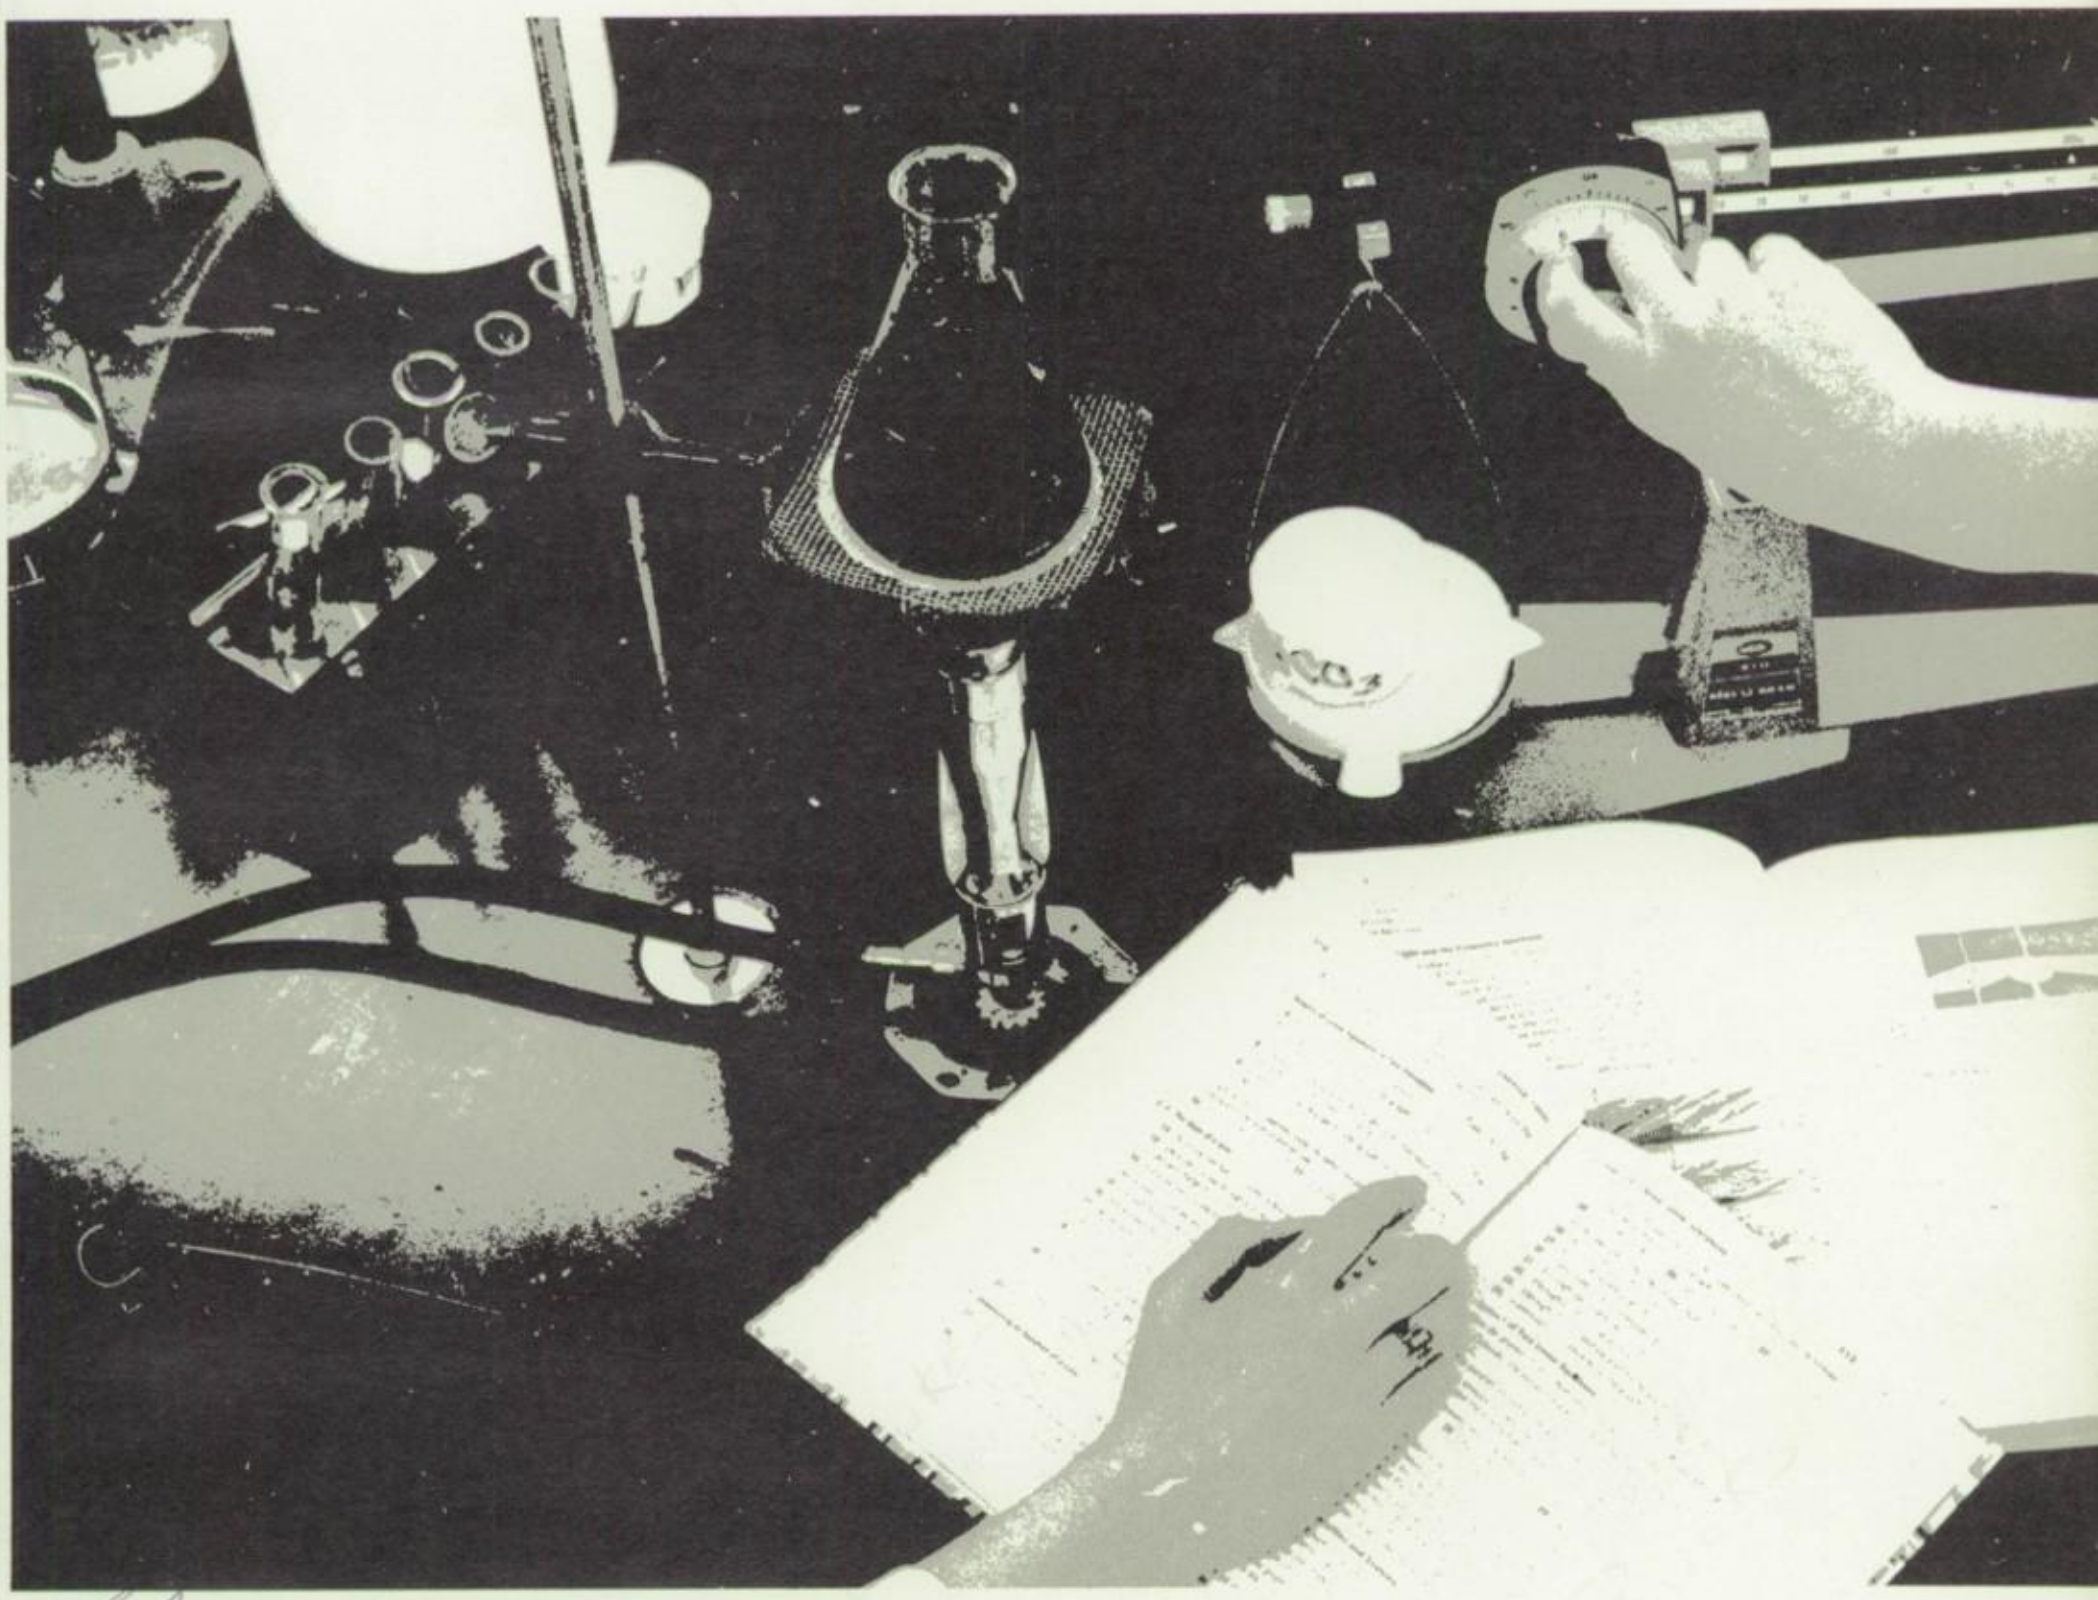
Living is learning. Just by being present in school, you're learning about other people. The people you have to live with. Learning isn't all perfect grammar and logical order. It's the irrational discussions and pointless arguments that will stick in your mind, along with the people that made H.H.S. a learning experience, in itself.



LEARNING

Luke,
Have fun in the future and take it easy going to Mil. O.K. Have fun and don't drink to much Take it easy on the women and watch out for the Johns at the ½ mi.

MR. CHARLES A. HAYES
Principal

Horicon High School's administrative department was sparked by the presence of a new principal. Mr. Hayes was awe-inspiring, to the students, in more ways than one. With Mr. Laundrie at the helm of school system, Mr. Behnke handling the everyday routines and teaching, and Mr. Ford helping the students, the necessary duties of a high school system were accomplished.

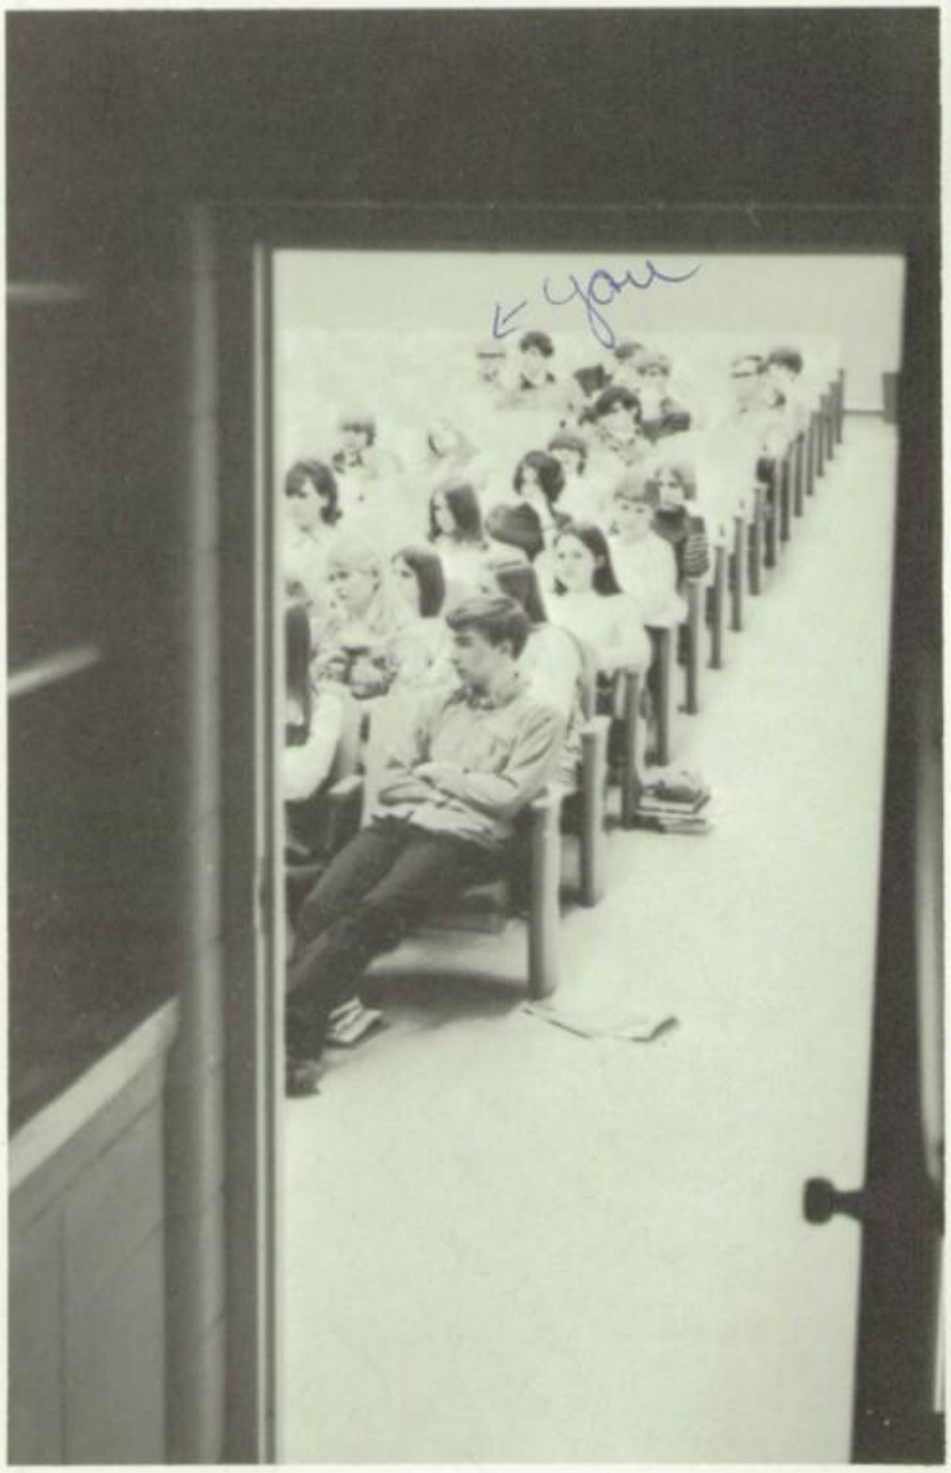
MR. ERNEST WALLIN
Science



Scarce is the chance to find upperclassmen more confused than the freshman, but at the beginning of this year it seemed this was the case. Having 21 mods and no regular lunch hour produced some confusion. But with the confusion came some added attractions. An ecology class was offered and some afternoon classes at Vo-Tech School were made possible. After every-thing settled down, once again it was difficult to separate the freshmen from the seniors.

SECRETARIES: Mrs. Bell, Mrs. Vander Schaaf, Mrs. Marx.

Who are the people that are vital to the H. H. S system? People that every student at one time or another, comes in contact with? Busy are the janitors, unlocking doors for us, cleaning up after us. Bored are the secretaries listening to our over-used excuses. Patient are the bus-drivers amid the deafening roar. Dedicated are the cooks, satisfying our appetites. Determined is Miss Lockwood testing all of our eyes. Grateful are we for their part in our school life.

BUS DRIVERS: Mrs. Mueller, Mrs. Hanefeld, Mr. Drews, Mr. Rahn, Mr. Kreuger, Mr. Schindel, Mr. Wanie.

NURSE: Miss Lockwood

COOKS: Mrs. Griepentrog, Mrs. Bartosch, Mrs. Frei, Mrs. Tesch.

Pep Band

The Stage Band was organized as the second semester started. It participated in the "Pops" Concert. It is made up of interested members of band that work together to produce some good sounds.

Pep Band struck up some spirit at home games. And who could forget Mr. Schneider Adding his own personal "touch" to those pep band numbers to say nothing of a red face.

WOODWIND AND PERCUSSION OF H.H.S.

The Band struck near disaster in mid-January, when Mr. Schneider, their director, received his draft notice. But fate was on their side as Mr. Schneider was allowed to stay the remainder of the school year. They had the honor of participating in the "Old Milwaukee Days" Parade in July. The members that participated probably won't forget the Indian costumes and the fact that the horses were right in front of them.

A Christmas Concert was given and how about those strange contortions that Mr. Schneider went through for that "jazz" number.

Individual members provided the orchestra for the musical. In February, a "Pops" concert was a "first" for the band. An unusual staging added to the originality of the concert. Their traditional spring concert was given in conjunction with the Tri-Arts Festival. The band was a busy, but happy organization.

TRACK THE SOUNDS — IT'S THE CHORUS

If you should happen to wander in the general direction of the chorus room, you probably would hear strains of song interrupted by sporadic bursts of laughter. This years chorus was a joyous organization and worked hard to produce some good vibrations. The "Pops" Concert was a real challenge along with their Mid-Winter Concert. "Getting ready for contest" took up free mods, but paid off in the end.

Madrigals took on a new look this year. The setting could have been a Victorian sitting-room instead of the stage. The girls with their royal blue maxi skirts and the boys in gold blazers made quite a picture. They entertained at the Christmas program and Concert. Tri-Arts and Pops were also on their list of accomplishments.

Under the direction of Miss Leitzen, as are all of the budding singers, the Concert Choir put on many entertaining concerts. They looked very professional in their blazers and their songs showed the polish of much practice.

IN THE DAYS OF ROMEO AND JULIET

Romeo, Romeo, who for art thou? The question was answered the night of May 2nd, as every Romeo and his Juliet relived the Shakesperean tradgedy. Joking aside, the evening was a success as couples danced amid the magenta and blue trees, glowing with bright starry lights. But they couldn't compete with the glowing surprise in the eyes of the royal couple as they were proclaimed the 1970 Junior Prom King and Queen. Court musicians for the evening were Ron Harvey and his Orchestra. General chaiman was Tom Allsberry. With the magnificant chandelier and hundreds of red roses glowing in the background, it made you wonder if Shakespeare himself, hadn't returned to advise this enchanting prom.

MIRACLE OF "BRIGADOON" APPEARS ON

"Once in the Highlands of Scotland, two weary hunters lost their way." That is how this years all-school musical "Brigadoon" began.

Under the direction of Miss Leitzen, Mr. Ritter, and Mrs. Johnston, the stage was alive with the telling of the miracle of "Brigadoon".

Tryouts began the end of September and culminated with two performances on November 13 and 14. The double casting caused some confusion. John Ulrich was getting slapped across the face twice as much and directions to "Chris" were always questioned, "Which Kris?" Then there was the first night that the boys donned their kilts! Such beautiful legs hadn't been seen at H. H. S. in a long time.

The band under the baton of Mr. Schneider backed the chorus and soloist on such songs as "Down on Mac Cornachy Square"c "I'll Go Home With Bonnie Jean" and "The Heather on the Hill." The Music for the dramatic sword dance and funeral procession was provided by Mr. Bruce Danielson on the Bagpipes.

When the curtain came down on the last performance, it ended only the sights and sounds but not the memories of "Brigadoon."

This year's baseball team was an industrious one. With pitchers like Joe Aumann, Lenny Spittel, and Matt Rohde working for us, and hitters like Mark Sullivan, Wal- and Larry Michaels, the team produced a 6-4 overall record. The result was a respectable 2nd place in conference action.

MARSHMEN "FLY WAY" WITH

At times during the football season it seemed as though the gods were terribly angry with us. They sent torrents of rain to make us uncomfortable during the home games. They refused to give us the comfort of bleachers at away games. They plagued our team with "locker-room" injuries. But the spirit of the Horicon team and the crowds overcame all obstacles. Losing the first game didn't mean much for the Marchmen won the next 7 straight · to end up with a 71 season record and go undefeated in the new Flyway Conference.

Fred Ulrich lead the scoring with 12 touchdowns and led with 638 yards rushing. Mark Sullivan led the defense with 47 tackles. The talents and manpower of the rest of the team with the efforts and enthusiasm of the coaches, Roger Meyer and Jerry Drews, and the good-luck charm of a rabbit, all made a successful football season.

J.V. and Frosh Have Winning Seasons

It seems all the Horicon football teams enjoyed the good life this year. Both the J. V. and Frosh had winning seasons. J. V. coached by Ray Piper and Harry Kaul finished with a 4-2 season with Juniors coming down to help them. John Ulrich had 161 total yards to lead the J. V. attack.

Frosh attacks were launched by Louis Anthoine and Harvey Tjader. The team boasted a 5-1 season. Bob Young rushed for 969 yeards. The Frosh did indeed make a good start on their high school football careers.

ROW 1: Greg Neisius, Earl Shore, Dave Hechimovich, Dennis Braun, Bob Young, Jim Shumacher, Mike Mueller, Dave Schmidt. OFF AND RUNNING

After a years lay-off, the cross country team came back to earn the respect of the conference. Under the captainship of Jim Keith, they ran many a mile to take sixth place. Doug Glamann was named most improved runner.

The basketball season started out on a good note and ended the same way, but at times in between they found themselves wondering whether the team would ever work themselves out of their slump. But the anxieties were for nothing because the hard-working team did credit to H. H. S. by overcoming quite a few difficulties. Not having enough players for scrimmaging gave even the managers a workout. Only having two seniors on the team gave the juniors valuable experience for next year.

MES IN BETWEEN

Junior Varsity under the watchful eye of Coach Harry Kaul had an 8 and 10 season record. Due to the lack of varsity players, the J. V. team doubled as the "Bench" for varsity games.

First year players had a season full of experiences as they came up with a 3 and 5 overall record. Coach Jim Van Grinsven turned out quite a team that promises to be an interesting one in future years.

The girls running around in orange and black were living and breathing examples that " "Yes, there is a game tonight." They organized things differently this year having a representative from each squad to cheer the wrestlers on, too. Cake raffles were something that the girls thought up to send two cheerleaders to camp. Pep rallies were tried again and in the beginning the student body fired up, but the fire died by the time basketball rolled around and so did the pep sessions. Under the general captainship of Chris Zuhlke and the advice of Mrs. Yerges, the girls did a noteworthy try of raising spirit.

But Not Always Followed

March 26th and 27th found H. H. S. seeing and hearing "The Mouse that Roared," live and in color. The all-school play cast did their best to give off the effect of a 14th century kingdom, and what if Dave Plageman had to carry a purse in practice, and the "army" from Fenwick had five members to its name. Miss Kessenich and her student directors had their work cut out for them creating an invasion and a war. Chris Zuhlke as Gloriana and John Ulrich as Tully led the action and a fine supporting cast made the events events seem believable and comic.

FRIENDSHIPS

Friends...isn't that what life is all about. People to enjoy doing things with, to tell your problems and your most secret dreams. They're something that is taken for granted, part of the good life, that you never miss until both are gone. The friendships that you've made by being involved in the same activities will live for a long time in your memories.

If you happened to walk in the art room after school and caught a glimpse of frustrated faces staring at piles of pictures and graph paper, you would be correct in concluding that it was the week and one-half after the deadline. Another symptom of "Deadline Doldrums" would be Duane striding down the corridor with his camera with the editors at his heels nagging, "Duane-just get the picture." Or Mr. Ritter, the advisor, warning, "Girls, I don't think we can say that." But the nightmares vanished as the last deadline was met for another year.

AMERICAN FIELD SERVICE

Horicon High's A.F.S. chapter pitched right in and served chili to try to raise money for the future students interested in studying in a foreign land. They work in conjunction with Horicon's adult group and together made Peter feel right at home.

CAMERA CLUB

Camera Club added some new faces this year along with hard workers. No obstacle was too great for them. If they were out of developer they just mixed some, and what if it was "for paper only." Just try to walk in the darkroom when the white light is on and you'll probably get a few fingers inside before they're cruched in the slam of the door. "The paper drawer was open," will be your only explanation. They experimented with new printing methods and turned out some interesting pictures.

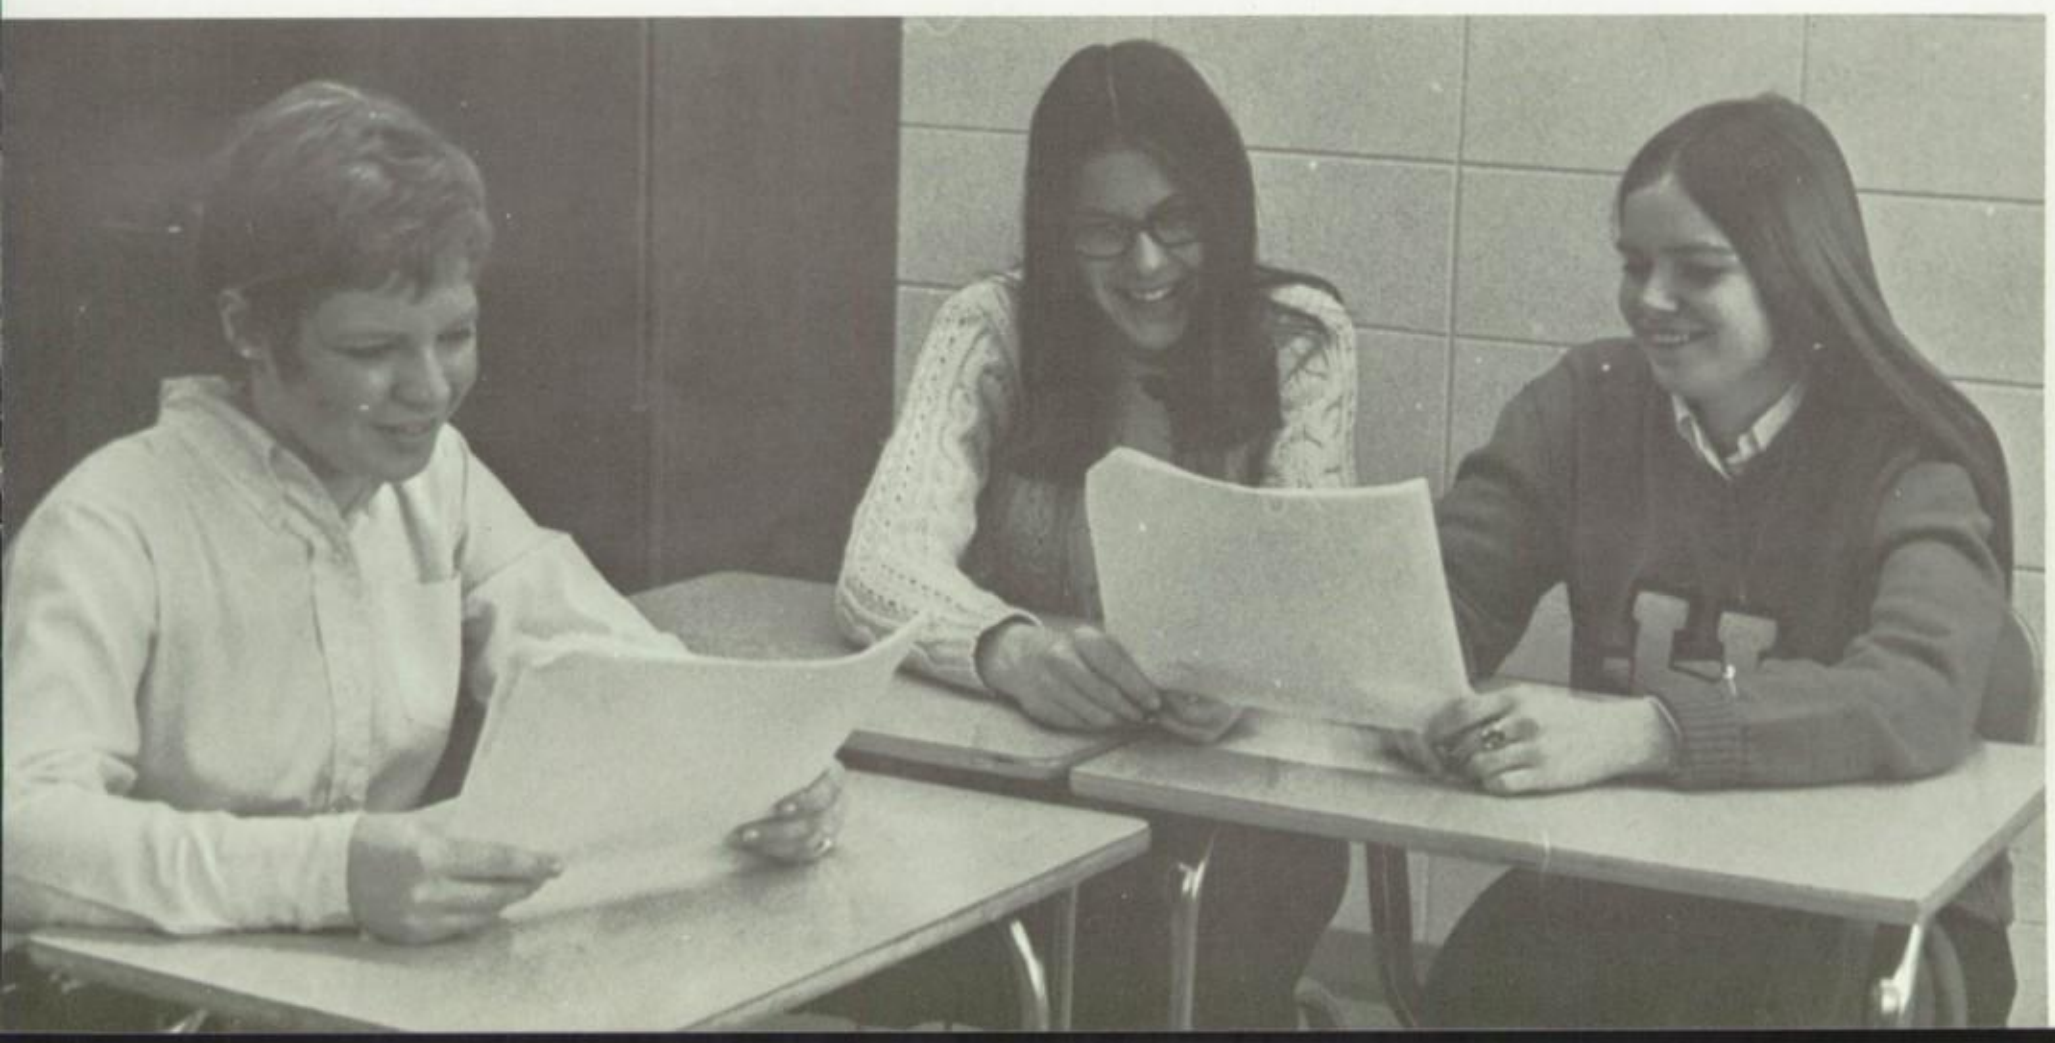
THE PEOPLE BEHIND THOSE LITTLE PEOPLE

The Drama Club had an industrious year. The district play started the year off right. They toured with their Christmas Plays and provided entertainment for the children of the community with puppet shows. Everyone got involved in Forensics, if not in a play then in speaking. Members took leading roles in the all-school play. Under the advisorship of Miss Kessenich, they sold refreshments during concerts to help finance their endeavors. Their productions are a good example of what can be accomplished with combined talent and effort.



F.F.A. was at it again. Only this year they made popcorn everyday to sell. Maybe this was due to the feminine influence in the club this year. Joyce Gilbert broke the unwritten law that F.F.A. is strictly in male territory. They observed national F.F.A. week by wearing their jackets and distributing litter-bags. Posters and billboard let the public know that F.F.A. was alive and well in Horicon. Once again S.M.V. signs did the public a service.

If you wanted to find out what's been happening at H. H. S. in the past month, the logical and most reliable source would be the Marsh Breezes. After the staff scoured the school for news, they wrote and "justified" their articles, then frantically worked on the paper until the day it went to press. Included in this year's work, the staff wrote a weekly column for the Horicon Reporter. Journalism class featured a a field trip to the "Fondulac Commonwealth" paper and guest speakers told of the trials in publishing a paper.

SO THIS IS WOMEN'S LIB

Monday night was once again regarded as "girl's night" up at school, but their activities showed more fore-thought and work than just one night a week. They hosted a Christmas Party for grade school childred and a dance in spring. Their competitive volleyball, basketball, and badminton tournaments gave the girls a chance to "let off some steam." Monday nights found H. H. S. reverberating with the sounds of active girls, having fun their own way.

Fred, is German Club that enjoyable?

German Club was on the quiet side this year. Membership was open to all students who are presently or who have previously taken German. They participated in Tri-Arts Festival held in May. The members sold suckers to the delight of students and dismay of teachers. Christmas time found them caroling and enjoying the season to the fullest, the typical German way. In fact, you could sum up their entire year by saying they enjoyed the "good life".

GERMAN CLUB

LETTERMAN'S CLUB

The bulk of H. H. S.'s manpower was concentrated in the institution called Letterman's Club. Members engage in such activities as selling candy bars, T-shirts, and pens to support their organization and its endeavors. Their goal was an object called a video-tape machine which would greatly benefit the athletic life of the school. They and their coaches were honored at the annual sports banquet. Indeed, this Letterman's Club does seem to be an important part of the "good life" at Horicon High.

Once again, the FHA proved that teenagers can be thoughtful. The all-girl pep club had their work cut out for them this year, trying to give school spirit an extra boost. The student body became aware of the club when on Friday mornings their bright signs pierced the blankness of their minds. If signs didn't do the trick, the "pom-pom" girls must have. Their performances at pep sessions and games could hardly be overlooked. The laughter filling the gymnasium after their debut was evidence enough that the "good life" had reached the pep club.

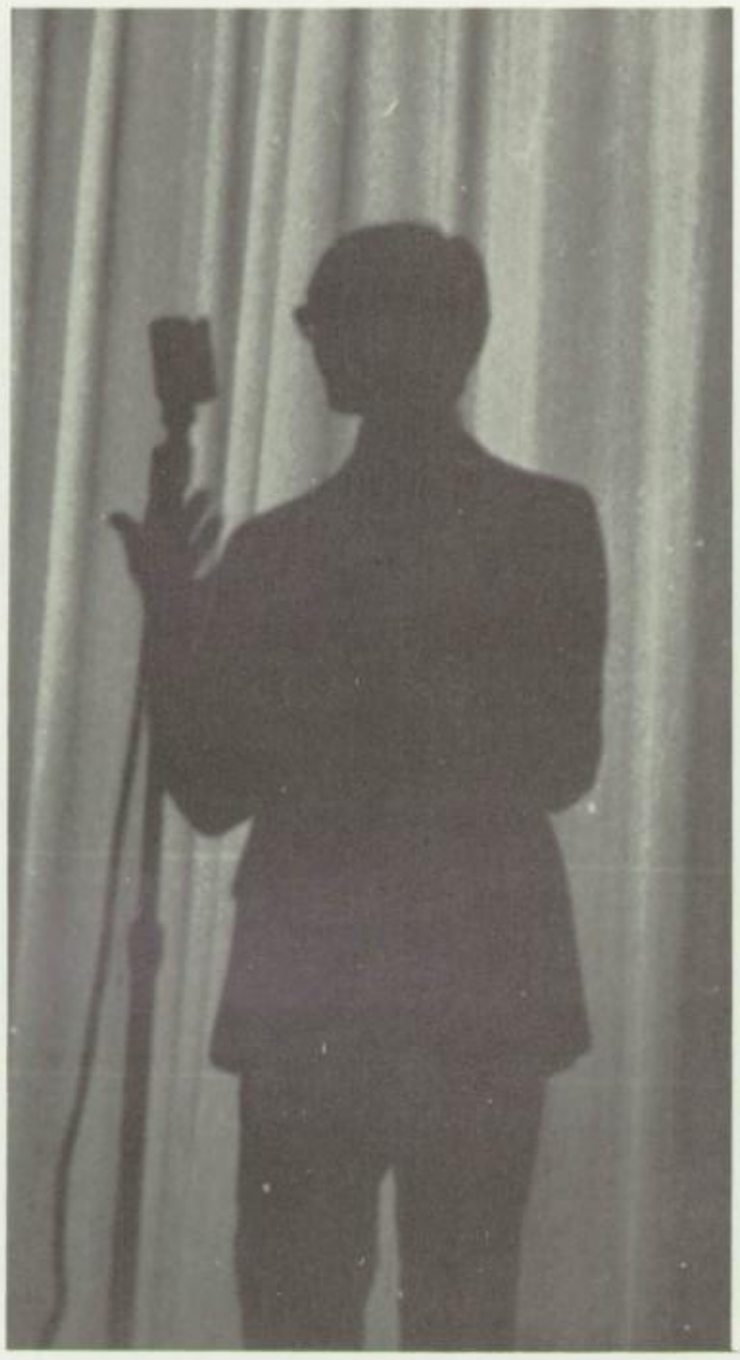
STUDENT COUNCIL

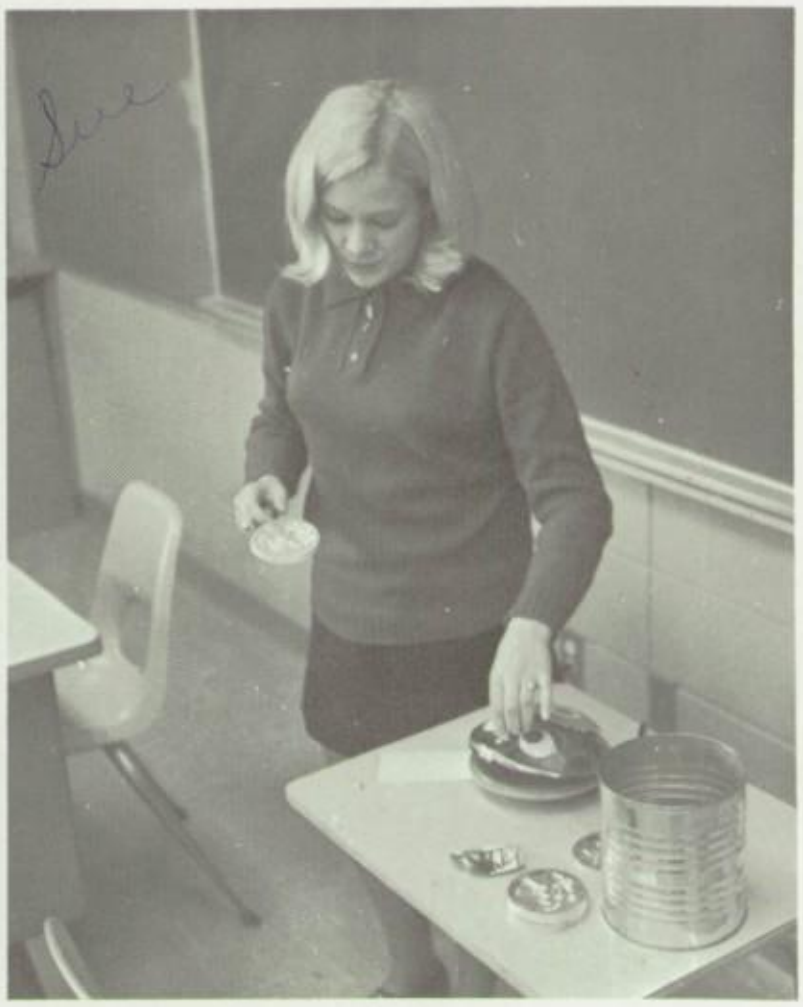
Early Birds at H.H.S.

"Oh, these early morning meetings are just too much," was the familiar complaint voiced by Student Council members. Because of an early homecoming and the new scheduling system, meetings before school started in the morning were necessary. But the members couldn't have been too sleepy for homecoming was a successful project, along with the Snow Ball in winter. To support themselves they sold popcorn at basketball games and wrestling matches. They took on the responsibility of monitoring the cafeteria. One night they rolled up their sleeves and dug into cleaning off the vandilized desk tops in the lecture hall and chorus room. Members attended the Parent-Advisory Board meetings. An "exchange-program" between Hustisford and Horicon took place with the help and planning of the Student Council.

THE GOOD LIFE . . .



IT'S GETTING INVOLVED



Doing things is happiness whether going it alone like Darryl Reetz or combining efforts like our technicians for the musical. It can be purely entertainment, or educational like Sue Gensmer demonstrating for speech class. Accomplishing things is the way to make your life worthwhile. And even if they fail there are always the memories to laugh about..

PETER; OUR AUSSIE LAD FROM DOWN-UNDER

Having a foreign exchange student that spoke English at Horicon High this year, broke down that usual language barrier that hampers friendships. But then again Peter Beatty could probably break down any obstacle standing in the way of that. As soon as we became accustomed to his accent, we really appreciated his Australian humor.

His accent sure came in handy for the musical and he "coached" the forensic play-acting group to give them a true Cockney Accent.

Chances are if you happened to wander in the "backroom" at the right time, you found Peter having a "spot of tea". He took quite well to American football and turned out to be quite a "dare-devil" on a toboggan.

At the Donald Raatz home we hear Divott had a wrestling partner that was good-natured as well as competitive.

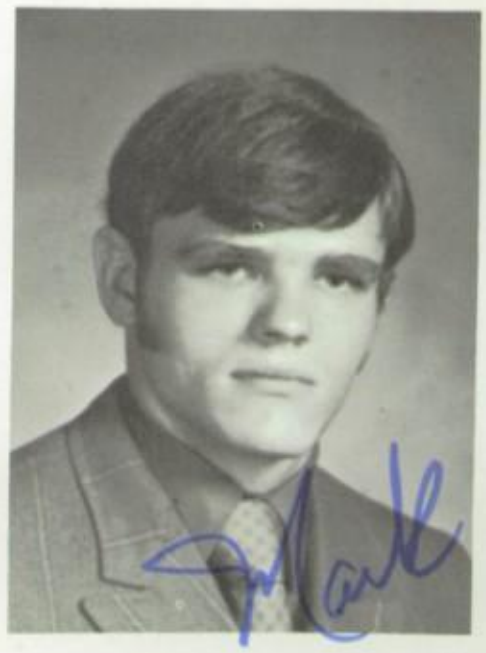
"IF"



If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too:
If you can wait and not be tired by waiting,
Or, being lied about, don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise;

If you can dream-and not make dreams your master;
If you can think-and not make thoughts your aim,
If you can meet with Triumph and Disaster
And treat those two impostors just the same:
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to broken,
And stoop and build 'em with worn-out tools;

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings,
And never breathe a word about your loss:
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with Kings-nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much:
If you can fill the unforgiving minute
With sixty seconds worth of distance run,
Yours is the Earth and everything that's in it,
And-which is more-you'll be a Man, my son!

Lillie you puck! How they hanging 'well, well you're all done you lucky bastard. Make sure you get the privledge of getting drunk. Maybe it wouldn't be a privilledge for you but for me it would be. Take it easy on the broads Luke and don't shit in bed.

Harry

Lille,
History and you just don't mix, but then either do bus and bananas! Oh well. I'm glad I got to know you - even if it was only for a semester! Your great Luke. Don't forget it. Invite me to some parties once, ok?

Best Always
Kris

Lille,
Well we had a lot of fun in Ecology class. Don't forget the time we walked across the marsh and it rained. Then all of them great words came - - - about Kelly or (digger). It was a great year even if we had to help you in some things. I hope you find luck and success in what ever you do.

Harry.
"7/11.

Luck. God it's over, but I hope you will have all the good things and success that life can give you!

Peace Steve

Billie -
Well history is finally over with. At least I'm really glad you're really glad it's over. Keep up your drinking cuz you need it. Quat reading. Good luck always.

Gillie,

What can I say!?! Except, I'm glad I got to know you, even if it was at the end of the year!

I'll never foreget the time out at the ledge at that one party -- That was really alot of fun, bun too!

When we were going to compare tongues and see whose was longer.

I haven't seen you at any parties lately. What's wrong?

Well, if you have a party for graduation, you better invite me. OK?

What ever you do, don't hold a party out at Reetz's Gravel Pits!

Well Be Good! - See ya this summer!

Best of Everything,

Rorie Shute.

Well it's been a great
year and I've
all known that for
sure. We had some
pretty good ones like The
time we met "RALPH" at my
house and your drinking
buddy and your dog Ill never
forget. At this time I would like to
wish you all the luck + success + friends
in the world.

Be Good

Gilbie

To the dear(?) sweet(?)
boy who introduced me
to the bell. I don't know
whether to kill you or bless you for
that. We had a good time this
semester with our lockers next to each other.
Just remember I'm not the nice sweet
innocent little girl I may seem to be on
the surface. I'm really proud of you that
~~you~~ you managed to graduate with us
and you should be proud of yourself for
working that hard

¡Pa siempre!

Don,
You only guy I know that could manage to break my
finger and then spend about
2 days again, Found a real great
guy, Billy, and don't let
anyone tell you different! Thanks for buying me that
beer at the Mill. Don't worry
around to help you with pitching
to you and I'll see ya down the line.

Dennis Steffan '71

Don
After four years were finally getting out of here. Good luck and don't do too much drinking.

Don, Well almost done, yea, we sure had fun in Phy. Ed. You were a great guy to have on a Basketball or Softball team. You might not be one of the "hunky athletes" but you sure do rate as a great guy. Keep your Head up and don't work too hard this Summer. Keep Smiling, God Bless, your friend Steve.

P.S. If I ever break up with my girl you can take me out and show me how to get bombed.

Don,
Congratulations you've successfully completed Basic Training
Have fun and success always

Don
Well we are all over
with school. Good
luck in the future and
have fun.

Don-
To a real fun guy to be with. Remember the party we had at George's?! Debbie dumped beer on your head & you got Soooo mad!! Well - good luck in the future - I hope to attend some more of your parties in the near future. See ya at the Grad parties!
